

A 3D architectural rendering of a modern terrace. The terrace is built on a dark brown foundation. It features a large wooden deck area with a diagonal grain pattern, surrounded by stone-paved walkways. A black metal railing with vertical bars runs along the edge of the terrace. A set of stairs leads up to the terrace from the left side. The terrace is bordered by a green lawn on the right and back sides.

OBS.: Imagens ilustrativas: a orientação das tabuas deve ser paralela ao comprimento dos

OBSERVAÇÕES:

- As tábuas da madeira plástica devem ser paralela ao comprimento dos bancos.
- Os encostos devem ser inclinados à 25° (conforme indicado nos cortes);
